MidWest SAS Users Group (MWSUG) 2015 Conference

CORPORATE SPONSORSHIP

MWSUG 2015 is expected to attract **300-400 SAS Users** primarily from the **MidWest**, mainly from the **banking, insurance, government, retail, and pharma industries**.

Sponsorship helps offset some of the attendee costs (increasing attendance) while also giving sponsors opportunities to engage with SAS customers. This document describes our sponsorship offerings.

Individual Items/Events for Sponsorship

Your company may elect to sponsor all or part of the following items. Due to the cost of these items, we may have multiple sponsors for each. Please note that in general, a flat contribution or participation is generally more beneficial and easier, since there are many other ways for MWSUG to put sponsorship dollars to good use other than for these items listed. All forms of sponsorship are appreciated, and will be recognized at the appropriate level.

- AV equipment rental fees
- Volunteer thank-you gifts*
- Sunday evening reception
- Breakfast (Monday or Tuesday)
- Lunch (Monday or Tuesday)
- Monday evening event
- Breaks (Monday or Tuesday) Attendee mementos*
- Best speaker awards*

* These items may be donated in-kind or sponsored. An in-kind donation requires a paid invoice.

Your company may elect to donate the following items. These items will have one sponsor:

- Conference Schedule printing
- Notepads
- Printing speaker evaluation forms
- Pens/highlighters

Each year we also have several door prizes for the closing session donated from sponsors. We are open to suggestions for these items. **Please discuss item donations with the Sponsorship Coordinator by 8-15-2015 at the latest.**

Internet Packages

The MWSUG website is a great way to promote your business or services to the region. While our conference is only available to users a few days out of the year, www.mwsug.org runs beyond the actual conference dates.

Once you have made your sponsorship commitment, submit your Internet Package ad directly by contacting the webmaster (Email: webmaster@mwsug.org) for specifications of ad size.

Check out MWSUG's most recent sponsors at mwsug.org/sponsors.

Note: Sponsors will be organized on the www.mwsug.org by sponsorship level.

Forward-Looking Statements

This brochure contains forward-looking statements about expected attendance, industry, and company breakdown for the 2015 MWSUG conference. While we have done our best to correctly estimate our attendance this year, many factors, both foreseeable and unforeseeable, may occur to impact attendance and industry or company breakdowns. The breakdown provided in this brochure represents our best estimates based on past MWSUG conferences and attendance at Nebraska SAS events. As there is no way of knowing prior to start of the conference how many attendees there will be or where they will come from, we provide no guarantee (explicit or implied) that these estimates will be met.
